

## Message from the Interim Director, Sam Shogren

What a wonderful evening for the Washington County Museum and our guests! This year's fundraising gala on October 18 broke all records for generating income - \$85,000! Our warmest thanks to co-chairs Pat Reser and Carrie Ann Schubert and the Gala Planning Committee for working so hard to make the event a brilliant success.

As the new interim director of the Museum, it was great to meet so many of our friends both old and new and I enjoyed every minute of it. My wife Susan and I were warmly welcomed and encouraged by the positive energy and good will for the Museum. If you could not attend this year's event, please consider doing so next year as we hope to build on that success. We have a great Museum and a great resource for the residents of Washington County that will only get better with your continued support. I look forward to meeting more members and stewards in the coming months.
